No problem, George. That is what we're here for. I am sure you guys have HQ in your business too much these days. I just want to make sure we get it right here. Hopefully, it will work tomorrow.

[REDACTED] Not sure if you know, but Mr. Melson and Mr. Hoover are being briefed weekly on this investigation and the recent success with [REDACTED] so they are both keenly interested in case updates.

No problem. No doubt, there should have been instructions and I was surprised that there were not. I think there may be some misunderstanding as to who the experts are. No one here at EPIC is the expert. They just handle [REDACTED]. The experts are in Virginia. One is [REDACTED] who [REDACTED] called, and I was on the phone with the other, [REDACTED] who was willing to [REDACTED]. I am not sure [REDACTED] is the answer. I think it just [REDACTED] said he was seeing an [REDACTED] just no [REDACTED]. He thinks it is because [REDACTED]. He suggested [REDACTED] so he can [REDACTED].

If we do not pick it up in the morning, we will have them trouble shoot it from Virginia with [REDACTED].

Subject: Director's questions

George,

Here are the answers to what I understand the Director's questions to be. More detail can be provided upon request, I thought it best to start brief.

1. IP Address for Pole Cameras; [REDACTED] User id: [REDACTED] password: [REDACTED] This must be monitored from a stand-alone computer as ATF Network bandwidth does not permit continuous monitoring.
2. Money Transfers: FINCEN, CTRs, SARs, Western Union, Arizona Department of Economic Security, ATF Special Investigator [REDACTED] IRS-CID [REDACTED] etc.
3. Mail covers – negative. In my experience this is a huge waste of time and resources for limited or no return. My last mail cover for 60 days, I received two days of mail. 2 out of 60 days and a boat load of paperwork. We utilized our investigative efforts elsewhere.
4. How many seizure have been reviewed by our Mexico agents; to the best of my knowledge – three (3).
5. Nogales Seizure regarding [REDACTED] there are a couple ROIs in N-Force, one from Tucson who initially responded to this incident, and one from us when it was determined to be part of our case. But in summary; [REDACTED] attempted to retrieve the van from Nogales PD. The receipt for the ammo from [REDACTED] was inside the van in [REDACTED] name. Further contact with [REDACTED] revealed that [REDACTED] made three large scale purchases of ammo, all three (including this one) were just under \$10,000.00 U.S. currency. At the time of retail sale [REDACTED] made a photocopy of the purchaser's photo identification, in all instances that is [REDACTED] and we have those records from [REDACTED]

I hope this is what you are looking for, please advise if you need/want more.
